With friends like that, who needs enemies? II

Wednesday 8 July 2009 17:36

And there we go again. Piratenpartei distanziert sich von Ã uÃˇerungen eines einzelnen Mitglieds. Some Bodo something like used the word holocaust and a question mark in the same sentence and the left wing Pirates don't tolerate that because they accept the redefinition of freedom that the losers had to accept. Apparently freedom can't bootstrap itself, but they've been reading too much Rudolf Erich Raspe.
