Bijlhout moments

A Bijlhout moment refers to Philomena Bijlhout, who had to resign after some photos showed up which pictured her hanging out with the wrong crowd. Wrong as in murdered 15 political opponents. And that's what I'm thinking of when I'm in the same picture as people who actually have political opponents. That it's a good thing I didn't murder anyone, and I'm pretty sure they didn't either. But then again, I don't know what Philomena Bijlhout was thinking at the time, and I could be wrong.
