Of all the gin joints in all the towns in all the world

De Witte Aap was ranked number one. I don't hang around in bars that often, but I think De Witte Aap is the place I spend the most time. Conveniently located near the former Framfab Rotterdam office many a friday evening was spent there. And with the IN10 crew I remember going there for some drinks while I was carrying a six−pack of fresh eggs. That's how laid back it is.

Bringing a Samsonite Skywheeler 67 upright to the Get Back on a friday night is another story...
